

Upperdale House, Buxton

The Background

Upperdale House is owned by Chatsworth Settlement Trustees. It was identified as one of the properties owned by the estate, where the current oil system was to be replaced by a renewable energy system, in keeping with Chatsworth Estates long term plans for a Greener Chatsworth.

The Installation

- A ETA PE-K45 Wood Pellet boiler
- 1 x 1650 ltr Buffer Tank
- An ETA Auger self built Fuel Store
- ETA Control Panel

The Benefits

- Annual fuel reduction of £1347
- CO2 Reduction of 18 tonnes
- Payback period of 5 years.
